## *Who we are ?*

Friends,

Do you sometimes find yourselves in a situation where you wish you could arranged for, food at home for your friends or relatives, or for a party without having to go to some restaurant to get a parcel?

Star Events & Caterers would like to introduce itself as a leading catering service available to you. Star Events & Caterers is a professionally managed catering service, offering its services for parties, banquets, wedding etc.

Not only do we arrange for food, to be delivered at your home for a small get together, we also arrange for large parties, banquets and weddings including the services that you require for your party such as Cutlery, Shamianas, Waiters etc.

### *We Offers:*

Excellent quality at affordable prices.

1. Home delivery available, even at short notice.
2. Kitchen professionally managed to ensure proper hygiene, just like home.
3. Catering from about 10 people at home for a get together to about 10,000 people for parties or weddings.
4. All your requirements for your party can be arranged by us.
5. Tailor made menu can be prepared according to your choice and budget.

A list of all the dishes that we prepared is attached for your convenience to choose the dishes of your liking. Kindly call us to place your order or to get more information we will be more than happy to serve you.
